Rated power	120W	
Input voltage	200-240V 50/60Hz	
Color rendering index	CRI≥80Ra	
Color tem.	2700K-6500K	
Protocol	Zigbee	
Control	Voice, touch screen, scene switch, APP	

Function

Anti-glare smart spotlight

7W 24°/36°

- Product color rendering index ≥90Ra, more real

- Suitable for local lighting, such as decorations or decorative paintings

- Small wattage, environmental protection and energy saving.

- LED chip, high efficiency and energy saving

- The anti-glare value is less than 13, no afterglow, no glare

- Integrated design, easy installation

- Suitable for home lighting with normal floor height

Anti-glare smart spotlight

12W 24°/36°

- Product color rendering index ≥90Ra, more real

- Suitable for local lighting, such as decorations or decorative paintings

- Small wattage, environmental protection and energy saving.

- LED chip, high efficiency and energy saving

- The anti-glare value is less than 13, no afterglow, no glare

- Integrated design, easy installation

- Suitable for taller spaces with a height of 4-5 meters, such as villas, hotels,etc.
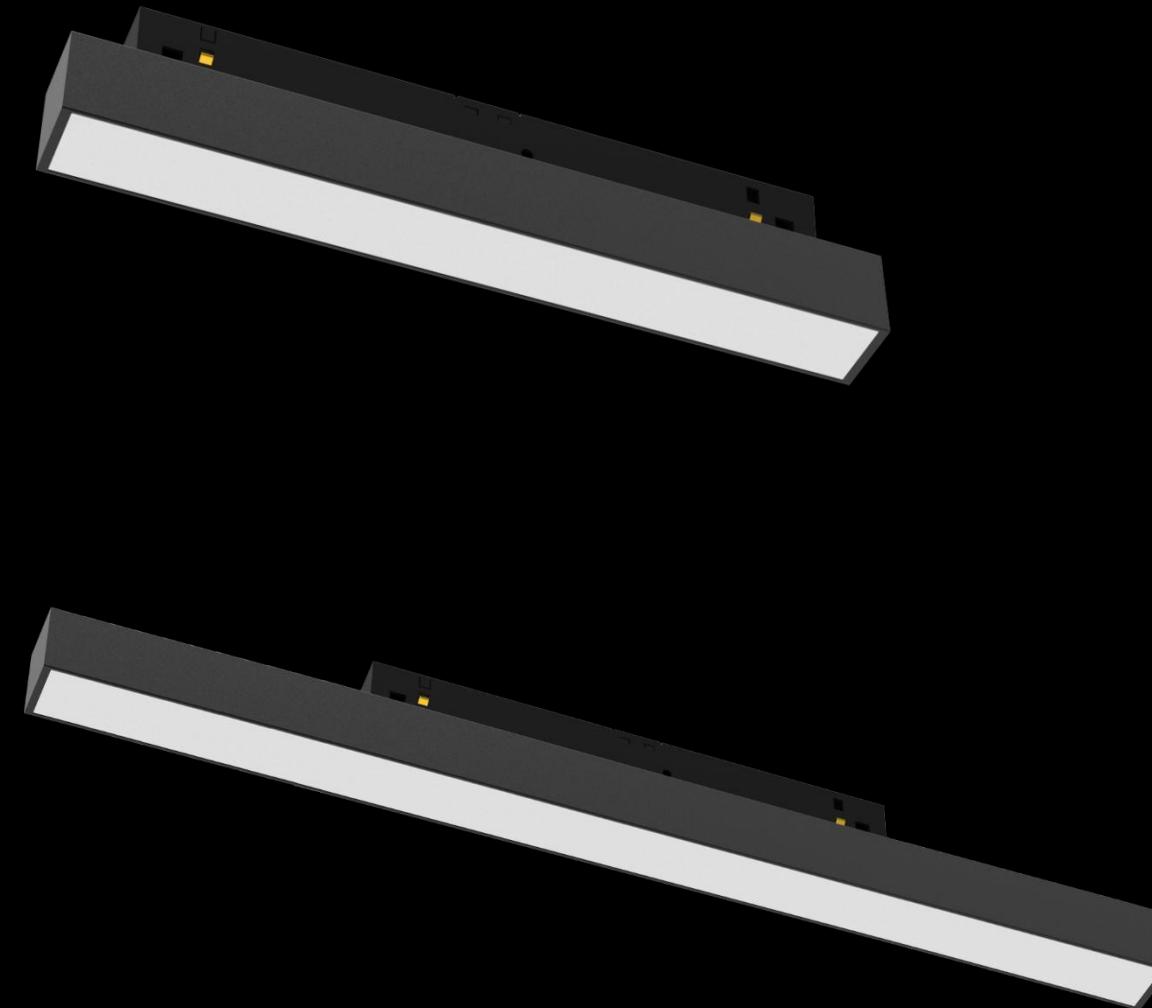

Smart magnetic track floodlight

8W/15W

- Product color rendering index ≥90Ra, more real

- Basic lighting module, the main lighting function in the space,

- Magnetic installation, safe voltage, free sliding

- Mainly used for basic lighting for a wide range of light projections

- The anti-glare value is less than 19, not glare, creating natural light source

Smart magnetic track grille light

8W/15W

- Product color rendering index ≥90Ra, more real

- Basic lighting module, main lighting function in the space

- Magnetic installation, safe voltage, free sliding

- The anti-glare value is less than 19, no afterglow, no glare, creating a natural light source

- The grille design is anti-glare and dust-proof, prolongs the service life of the lamp, and is not easy to be damaged or damaged.

Smart magnetic track spotlight

8W/15W

- Product color rendering index ≥90Ra, more real

- Can slide freely, universally change the irradiation angle

- Magnetic installation, safe voltage

- The light source can refract the wall

- The anti-glare value is less than 19, no afterglow, no glare, creating a natural light source

- Suitable for accent lighting of bedside, wine cabinet, murals, handicrafts, etc.

Zigbee Smart light strip kit S series

(controller+light trip)

- Integrated design,Plug and play

- Two-stage power supply, no flicker design

- Cold and warm light color dimming

- dustproof and moisture-proof

- High PF value, full load PF value reaches above 95

- 5 meters/roll

Design guide

Two layout methods of magnetic track
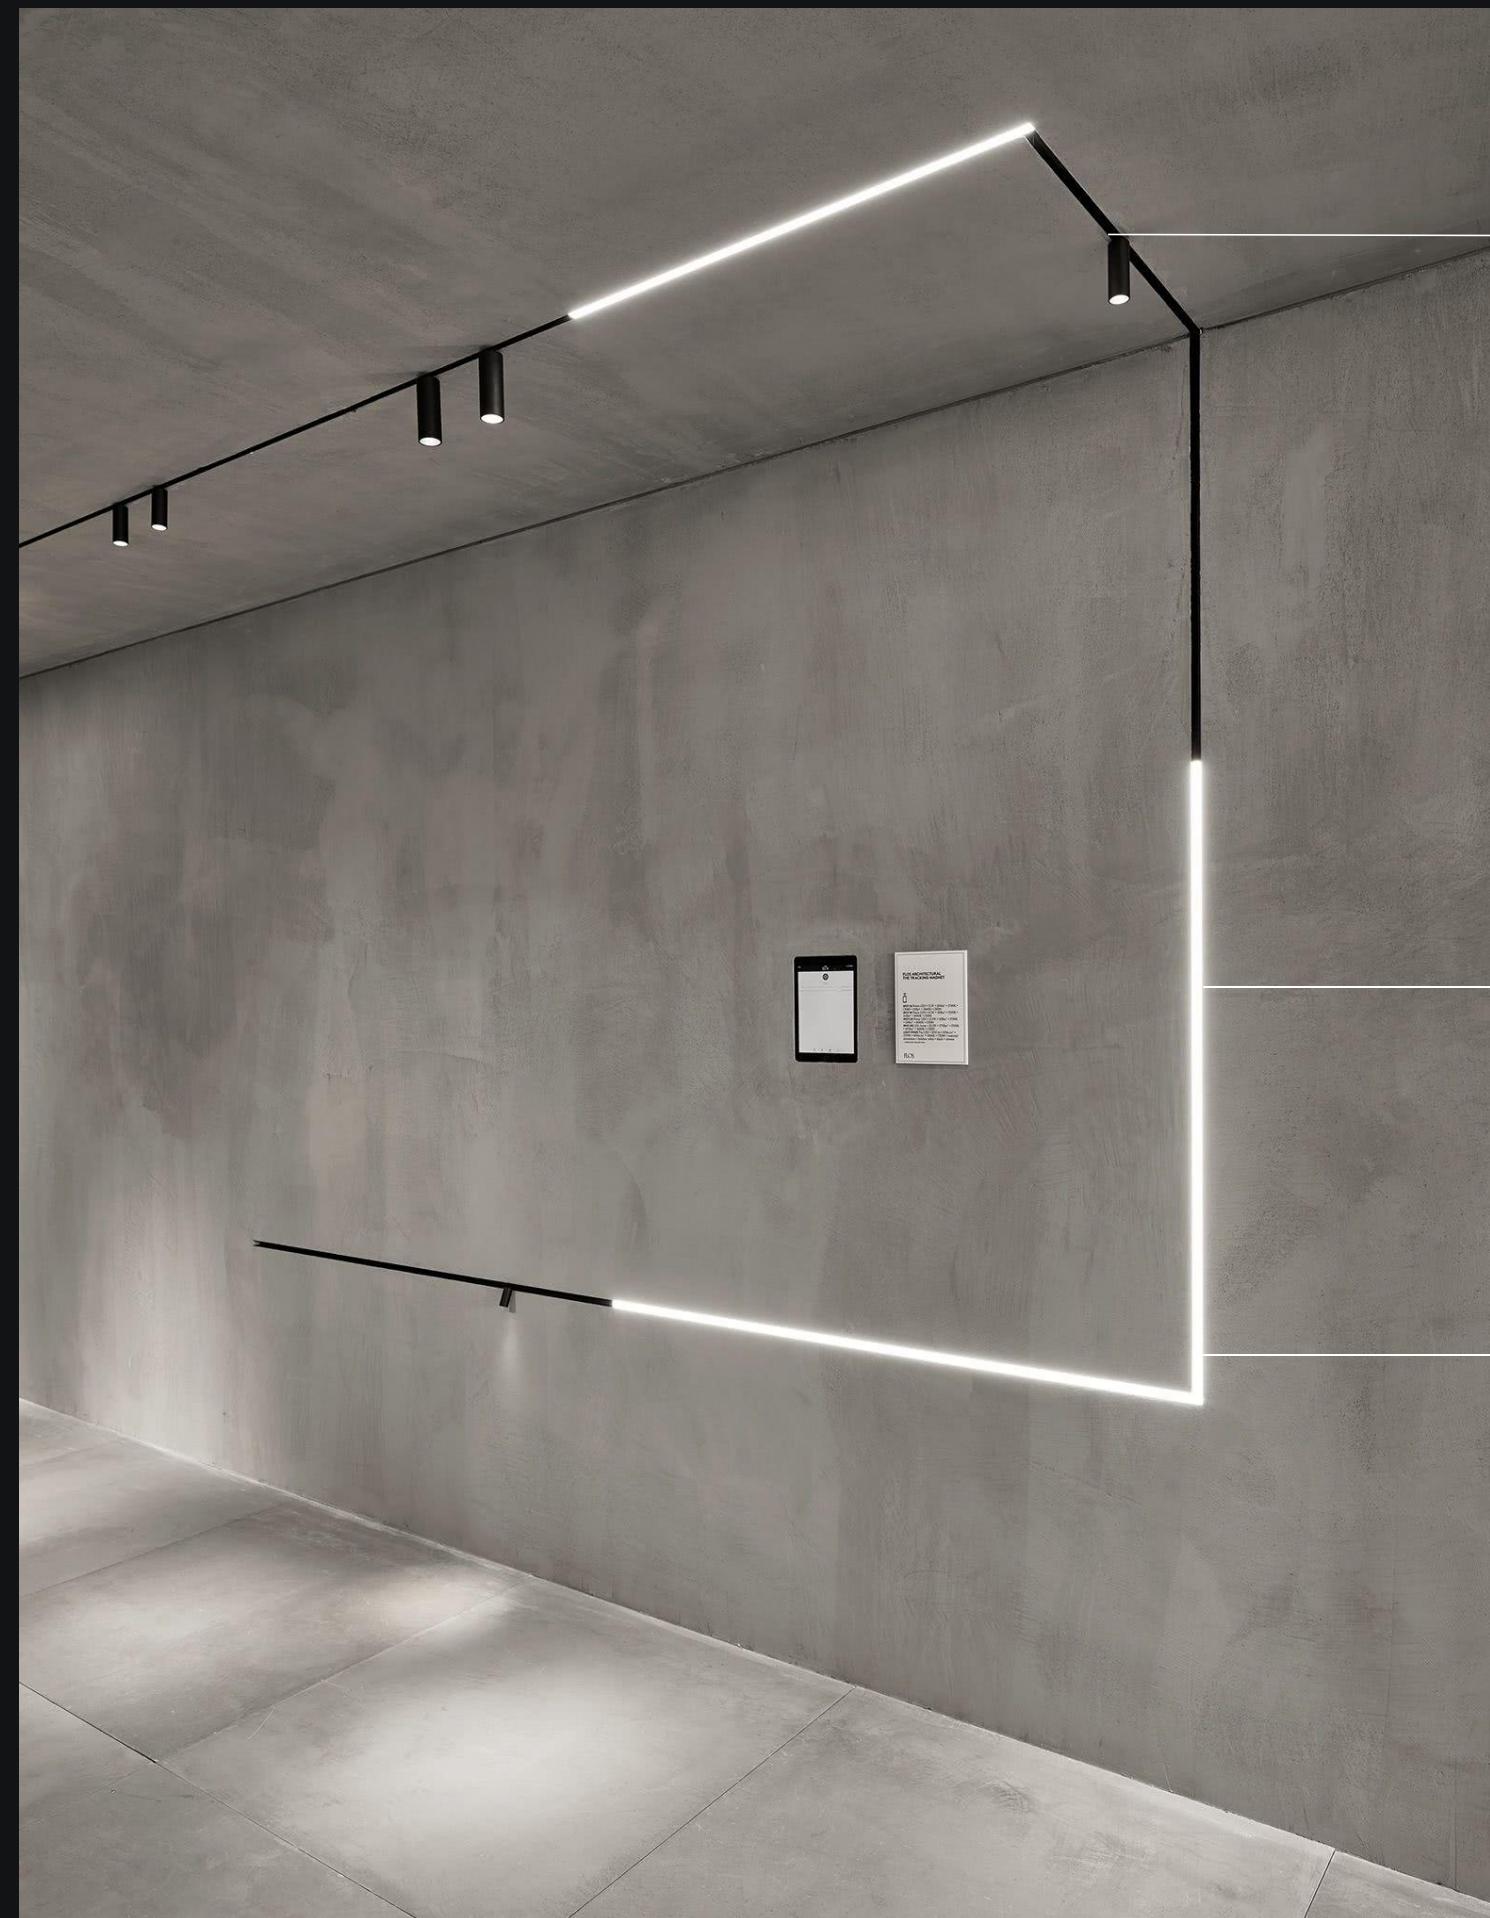

1. Installation on the top surface

2. Wall installation

Note:
Grille lights and track spotlights are preferred for wall installation, Floodlights are prone to glare.

Living room lighting layout

2 meters track * 1 pcs + magnetic light

anti-glare smart spotlights * 6 pcs

2 meters track * 1 pcs + magnetic light

- Above the TV cabinet and sofa
- Layout 1 pcs 2m magnetic track respectively

- Plus 6 anti-glare smart spotlights

(Schematic on the floor plan)

Living room magnetic track light product combination

Product	Specification	Quantity
Magnetic track	2 meters/root	2
Smart magnetic track spotlight	8W	4
Smart magnetic track floodlight	15W	2
Smart magnetic track grille light	8W	2
Smart magnetic track grille light	15W	2
Magnetic track embedded power supply	100W	2

*Can add 6 anti-glare smart spotlights and S Series light strip kit

HEALHT
NO STROBE

Lamps parameter

High value, fine decoration are in use, double anti-glare sees no lights,

Restaurant lighting layout

anti-glare smart spotlights * 3 pcs

Magnetic track and magnetic light
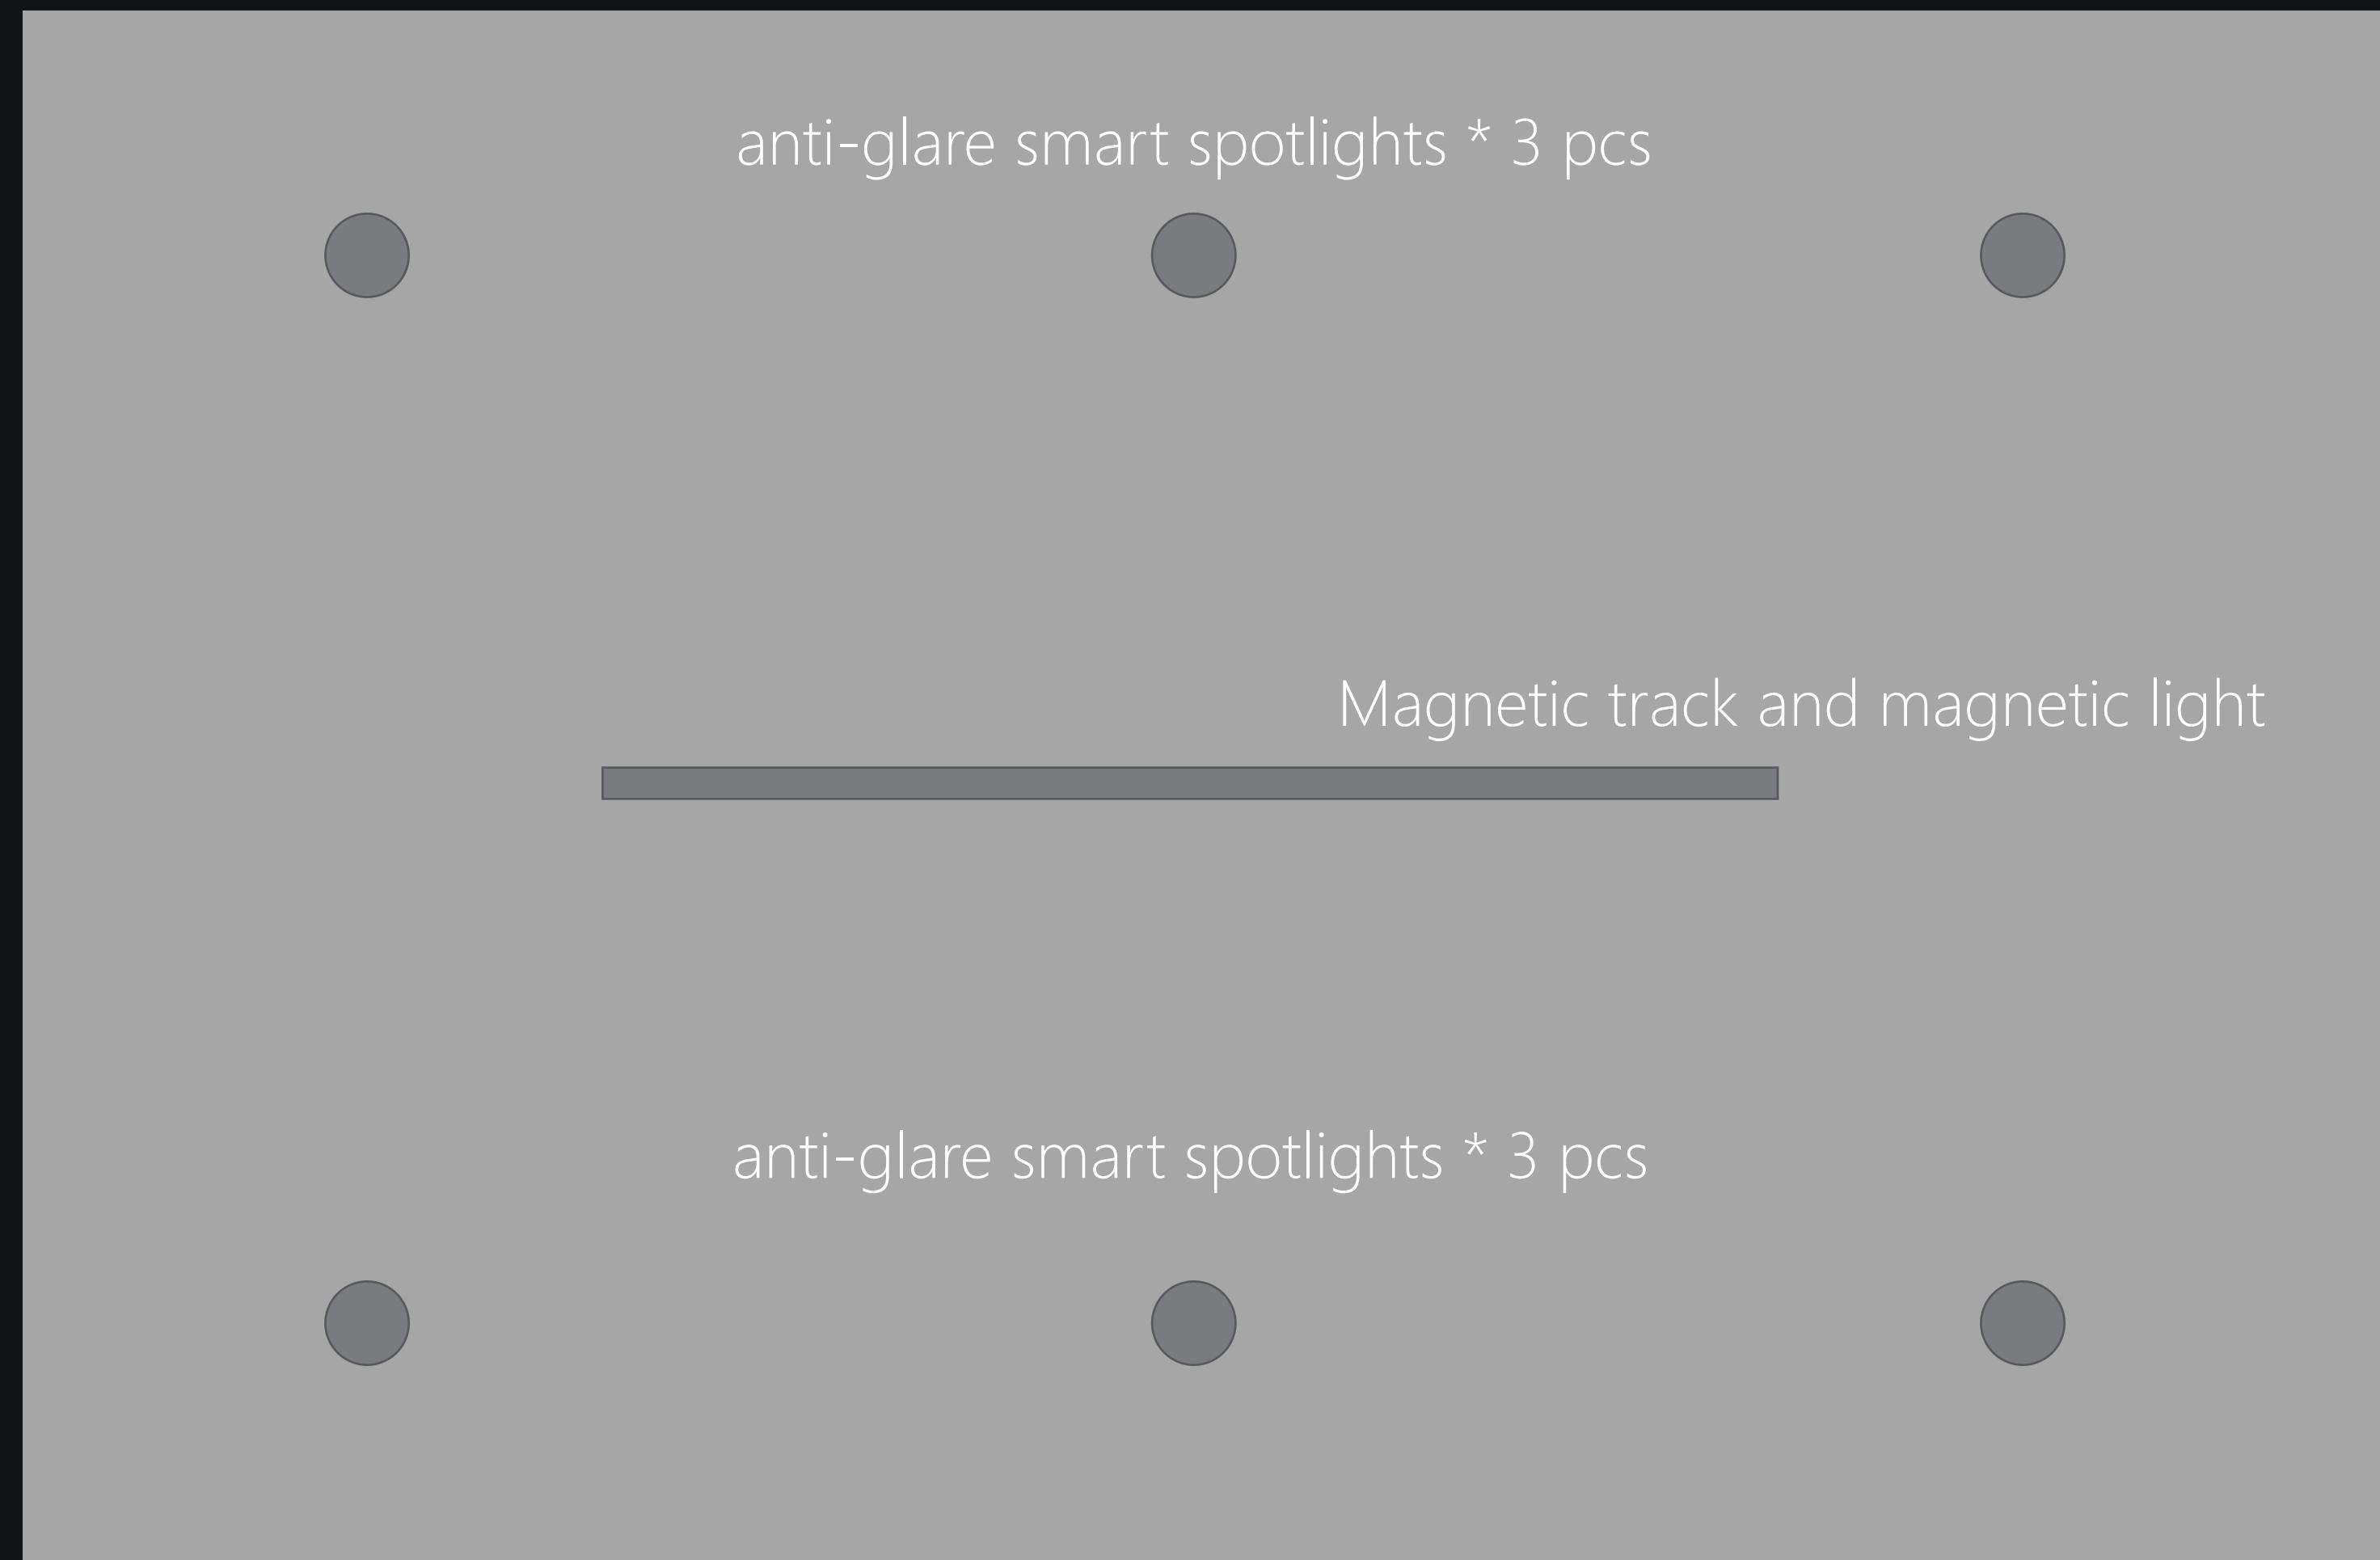

- The magnetic track is hoisted above the dining table,
- The length of the table can be adjusted to the length of the track
- Plus 6 anti-glare smart spotlights

anti-glare smart spotlights * 3 pcs

(Schematic on the floor plan)

Restaurant magnetic track light product combination

Product	Specification	Quantity
Magnetic track	2 meters/root	1
Smart magnetic track floodlight	8W	1
Smart magnetic track grille light	15W	2
Magnetic track embedded power supply	100W	1

*Can add 6 pcs anti-glare smart spotlights and S Series light strip kit

Bedroom lighting layout

2 meters track * 1 pcs + magnetic light

anti-glare smart spotlights * 2 pcs

2 meters track * 1 pcs + magnetic light
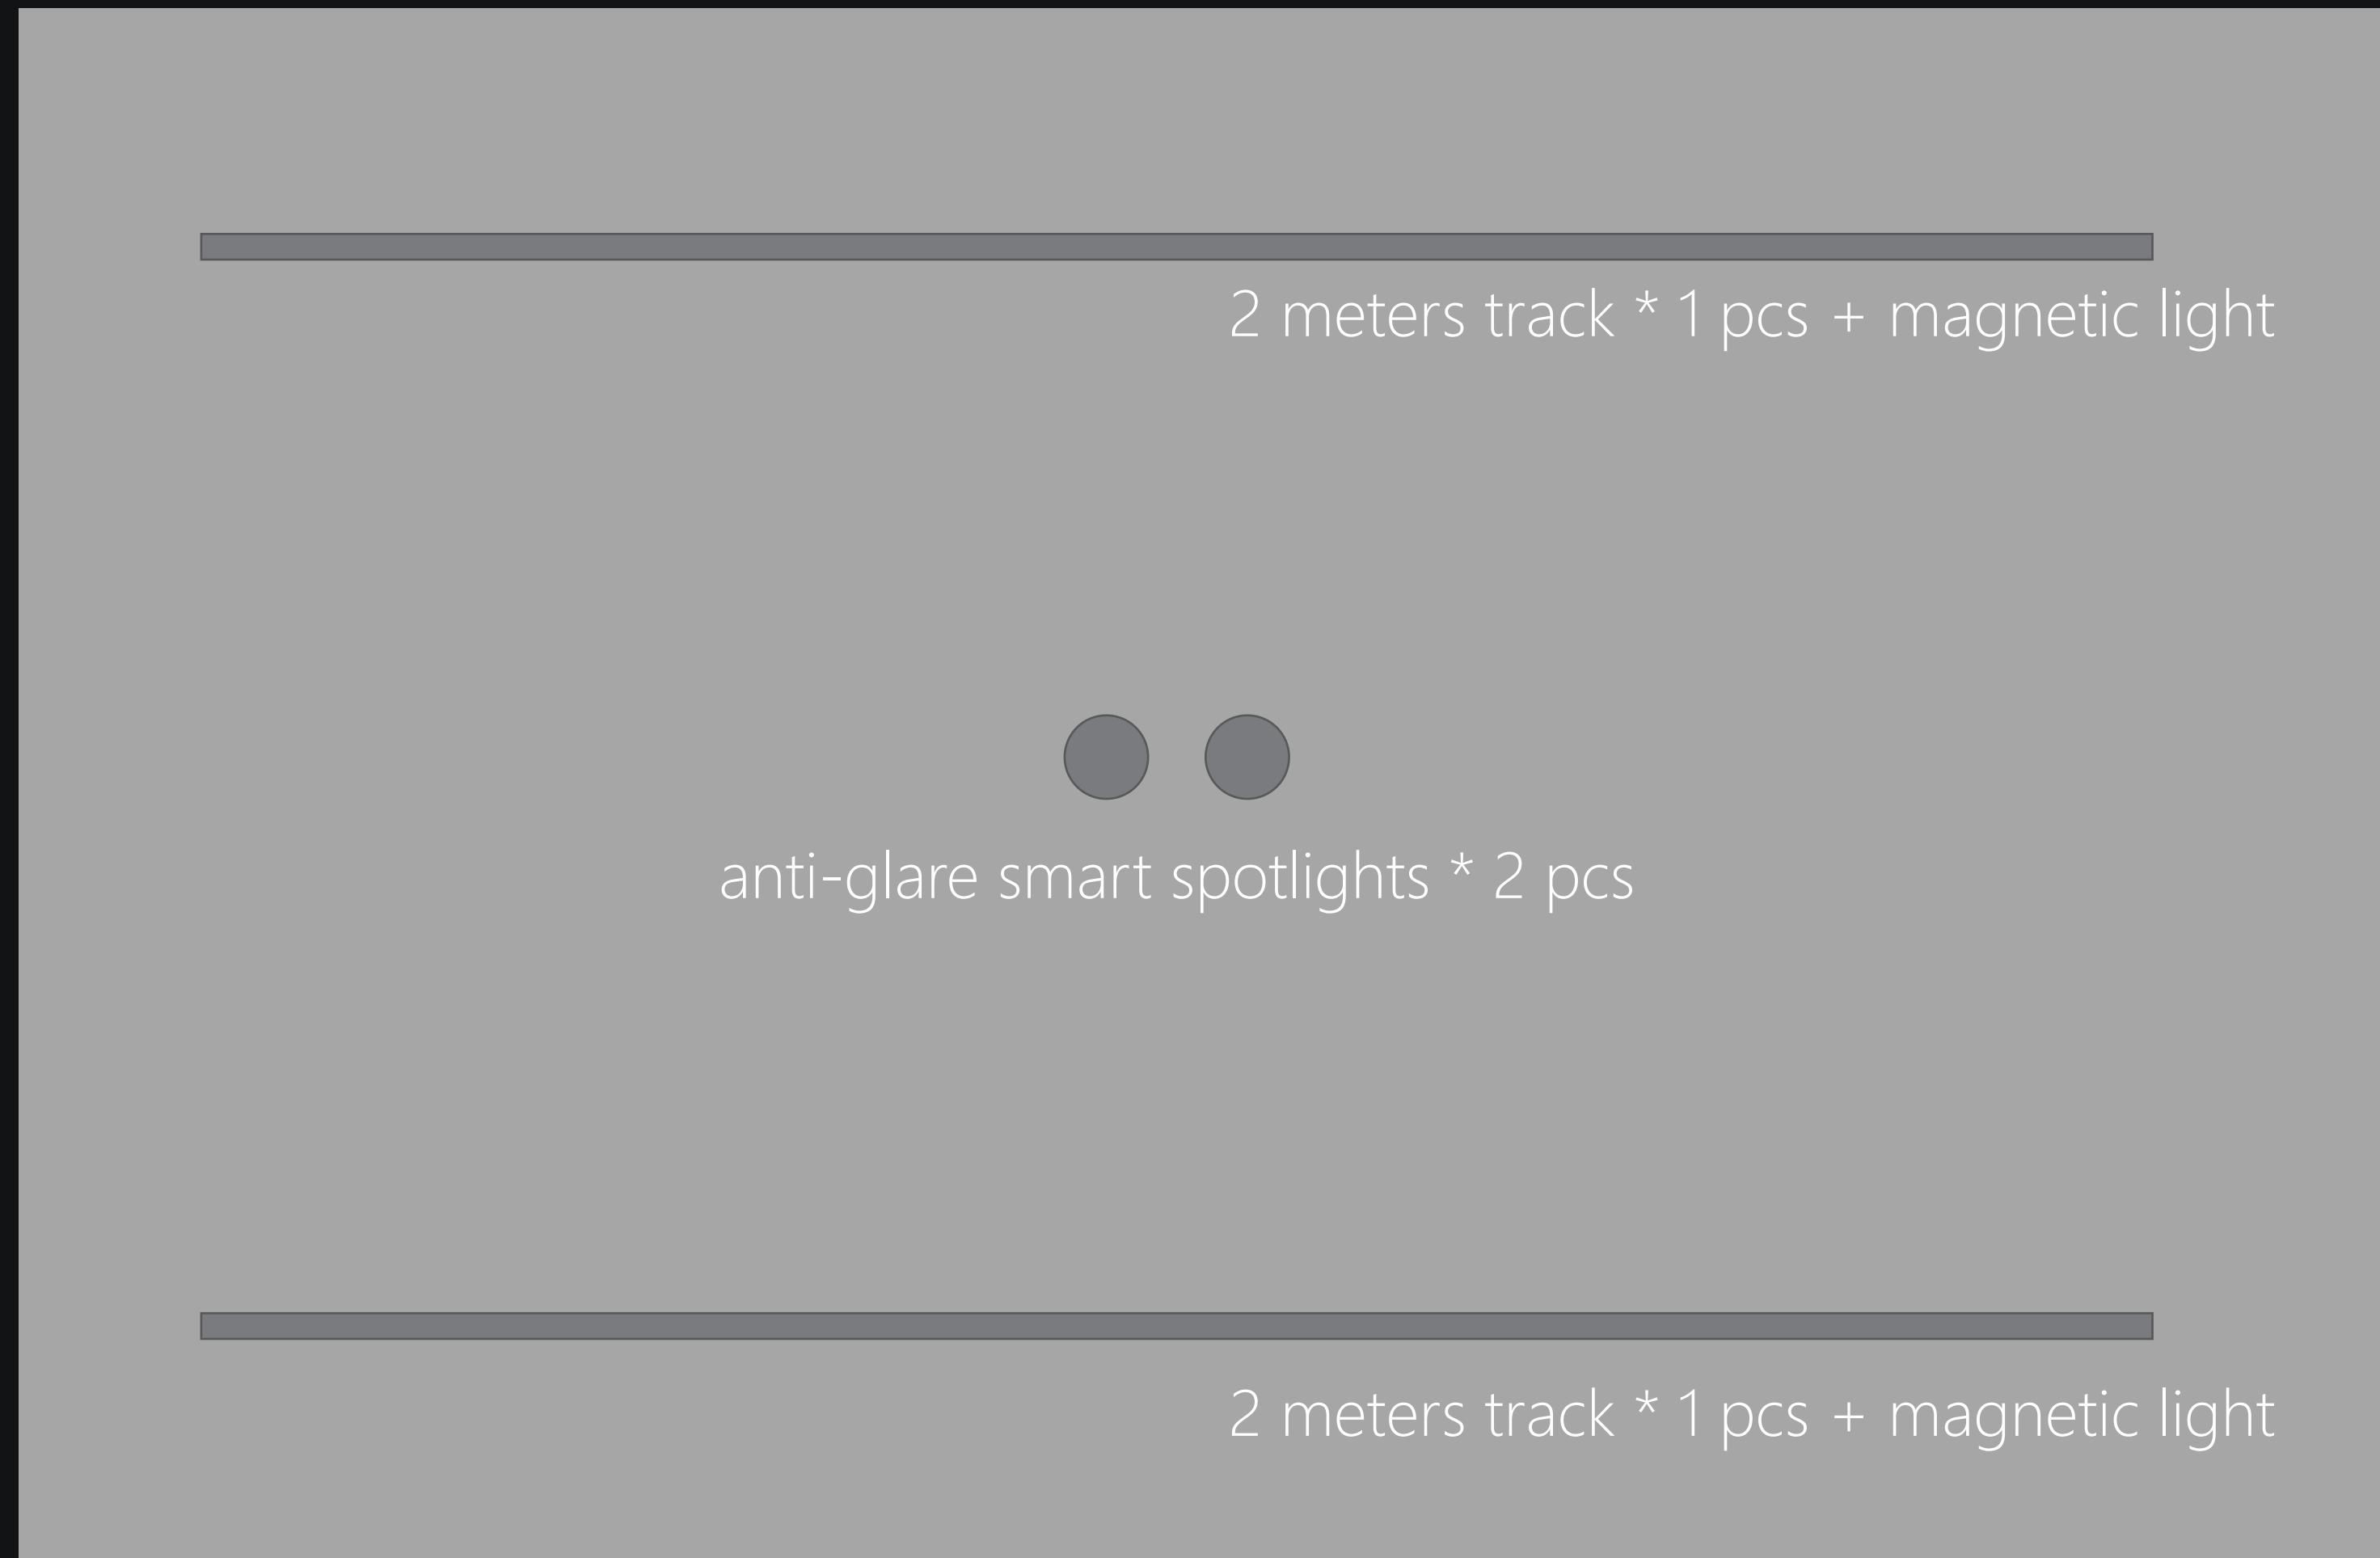

- A magnetic rail is respectively hoisted on the aisle above the head of the bed and opposite the head of the bed

- Plus 2 anti-glare smart spotlights

(Schematic on the floor plan)

Bedroom magnetic track light product combination

Product	Specification	Quantity
Magnetic track	2 meters/root	2
Smart magnetic track spotlight	8W	4
Smart magnetic track floodlight	15W	2
Smart magnetic track grille light	8W	2
Smart magnetic track grille light	15W	2
Magnetic track embedded power supply	100W	2

*Can add 2 pcs anti-glare smart spotlights and S Series light strip kit

Bedroom lighting effect schematic

Corridor lighting layout

Anti-glare smart spotlight

Anti-glare smart spotlight

2 meters track * 2 pcs + magnetic light

Anti-glare smart spotlight

Anti-glare smart spotlight
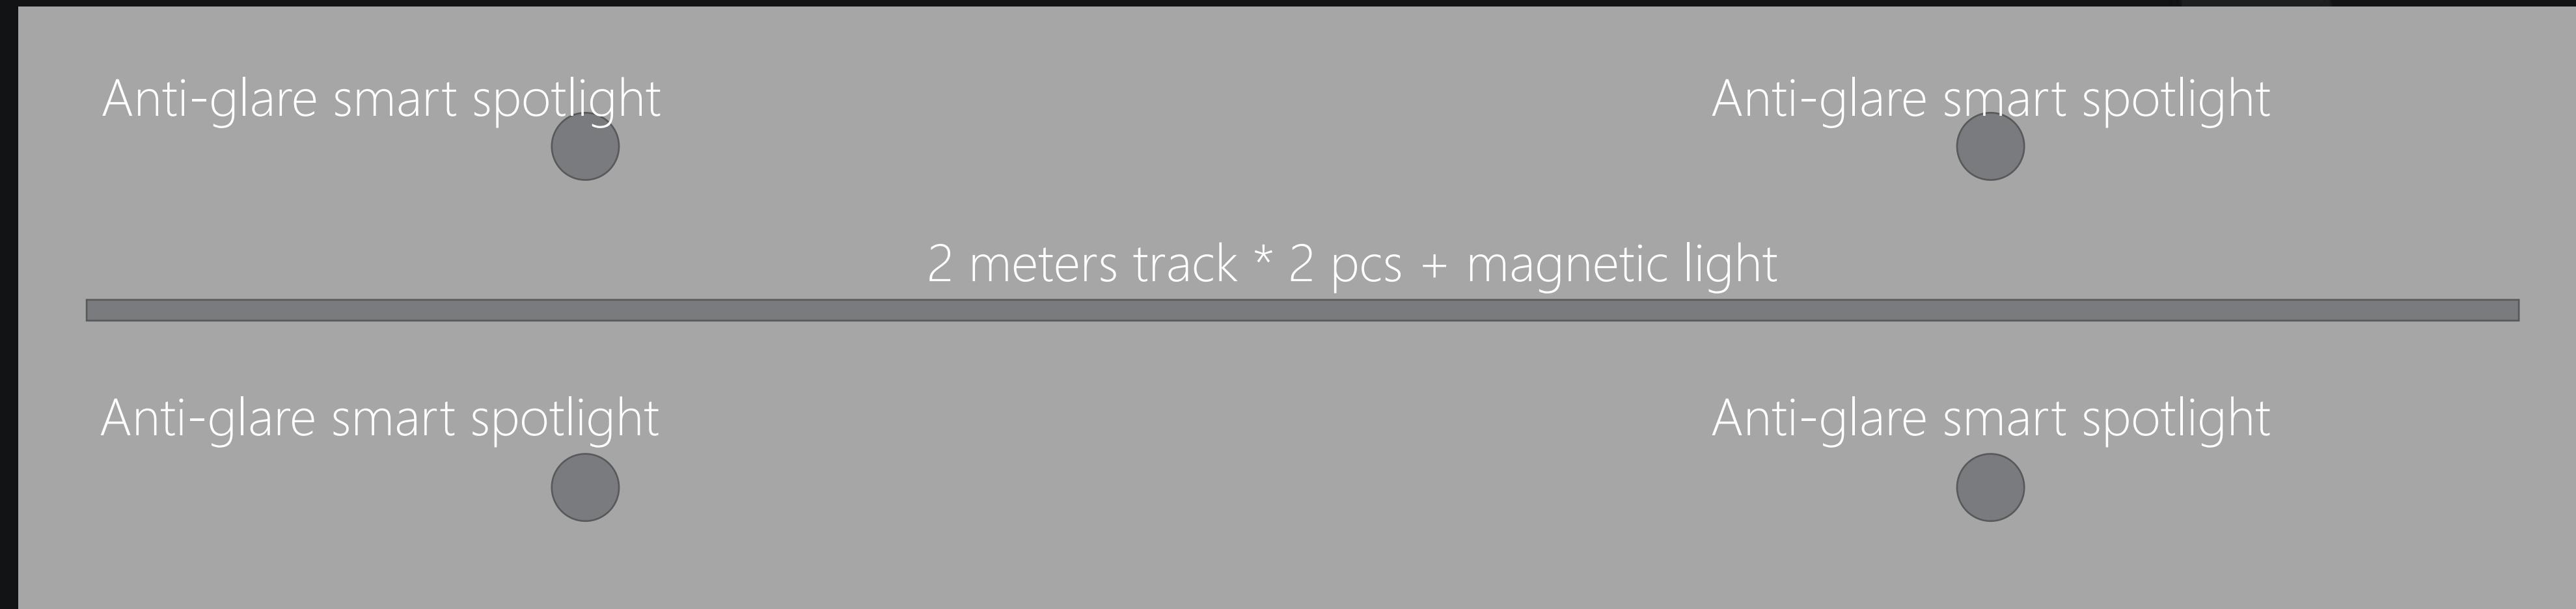

(Schematic on the floor plan)

- Layout magnetic track above the center line of the aisle
- The length can be adjusted according to the length of the aisle
- Plus 2 pcs anti-glare smart spotlights

Corridor magnetic track light product combination

| Product	Specification	Quantity
Magnetic track	2 meters/root	2
Smart magnetic track spotlight	8W	2
Smart magnetic track floodlight	8W	2
Smart magnetic track grille light	8W	2
Smart magnetic track grille light	15W	2
Magnetic track connector		1
Magnetic track embedded power supply	100W	1

*可外加2个防眩智能射灯

Retail display

Store Necessary
S series showcase

- Portability: Home improvement company/customer's home/store multi-scene display

- With screen: can directly demonstrate smart lighting scenes and express selling points

- Good texture: matte box, leather handle, metal buckle

- Can experience: can experience magnetic disassembly, MixPad direct interaction

- Full product range: Covers a full range of SKUs, with MixPad included in the package
